## **Maryland Nursing School Course Equivalents For Requirements of Nursing Assistant Training**

*Please Note: You cannot work as a certified nursing assistant or a medication assistant/medication technician until you are certified and receive certification from the Maryland Board of Nursing. You cannot work as a geriatric nursing assistant until you have successfully completed the NNAAP (National Nurse Aide Assessment Program) Examination given by American Red Cross and receive your certification from the Maryland Board of Nursing as a geriatric nursing aide. Please call The American Red Cross at 866-257-6470 for further information.*

*A transcript indicating successful completion of the following courses (with Course Numbers) is considered equivalent to having taken the relevant nursing assistant training program. An official transcript is required when applying for certification with the application.*
