

Transferring a Certificate from Maryland to Another State (Verification of Certification)

If you are a certified nursing assistant or geriatric nursing assistant and want to transfer your certificate to another State, you must contact the state you intend to transfer to and obtain a **Verification Form** from that new state. Be sure to inquire if there is a fee to be paid to the new state; and if there is an additional application or other forms or documents that you must submit to the new State.

Once you obtain the **Verification Form** for the new state, complete the appropriate portion of the Verification Form with your name, certificate number, and all requested information. Once you have completed the **Verification Form** send it and a **\$25.00 money order** to Maryland Certified Nursing Assistant (CNA) Program, 4140 Patterson Avenue, Baltimore, MD 21215. The CNA program will complete the **Verification Form** and mail the **Verification Form** to the new state. If you have any questions please feel free to contact the Maryland Certified Nursing Assistant program (CNA program) by email to anitaj.williams@maryland.gov
