		<p>conflict with the ethical duty of a licensee or certificate holder; more specifically, their duty to inform the board regarding unethical conduct observed by another licensed nurse.</p> <p>4. House Bill 464 has not progressed since its hearing date on February 28th, and Senate Bill 990 has not progressed since its hearing date on the 10th.</p> <p>5. House Bill 905, prescription drug benefits, use of real time benefits check technology. The Board took no position.</p> <p>6. House Bill 936, health occupations nursing, delegation of nursing tasks. The Board submitted a letter of support with amendments. The Board supports the delegation of nursing tasks by RNs, LPNs, and APRNs as a necessary means of</p>		

Subject	Responsible Party	Discussion	Action Due Date (Assigned to)	Results
		<p>providing efficient and effective care to patients. The Board in the amendments, however, included that the Board believed that allowing APRNs to delegate nursing tasks to an unlicensed individual could possibly create a loss of jobs for CNAs and hold a risk to public safety. To rectify this point, the Board submitted amendments allowing an APRN to delegate tasks to an assistant that has received training to perform those tasks.</p> <p>7. House Bill 946 was referred to the education, health, and environmental affairs committee in the opposite chamber for its first reading.</p> <p>8. House Bill 943, cross-filed Senate Bill 871, mail-order and specialty drugs, physician dispensing. The Board took no position.</p> <p>9. 		<p>discharge. The Board took no position.</p> <p>10. House Bill 1050, hospitals, discharge or transfer of patients, prior authorization of prescriptions, the Mae Abraham Act. The Board took no position.</p> <p>11. House Bill 1486, cross-filed Senate Bill 782, public health, non-controlled substance prescription record system program. The Board submitted a letter of support with amendments. This bill establishes the non-controlled substance prescription records systems program. Its mission is to improve patient safety by allowing practitioners to access a patient's drug history, including drugs prescribed by other prescribers. The amendments the Board proposed included a nurse practitioner, nonnative by the Nurse Practitioners Association of Maryland, to be a part of the advisory</p>

		<p>hearing date on February 5th in the educational, health, and environmental affairs committee.</p> <p>6. House Bill 502, cross-filed Senate Bill 590, Public Information Act, revisions. The Board submitted a letter of concern because this is a bill that expanded the authority of the Public Information Act Compliance Board to resolve disputes between an applicant and an official custodian. House Bill 502 has not progressed since its hearing date on February 11 before the health and government operations committee. Senate Bill 590 has not progressed since its hearing date on February 13th before the educational health and environmental affairs committee.</p> <p>7. House Bill 656, cross-filed Senate Bill 545, pharmacists, administration of self-administered medications and maintenance, injectable</p>		

Subject	Responsible Party	Discussion	Action Due Date (Assigned to)	Results
		<p>medications. The Board submitted a letter of opposition because the bill does not define the injectable -- did not initially define the maintenance injectable medication, and thought that it would propose a risk of communication between the pharmacist and healthcare provider. House Bill 656 was referred to the education, health, and environmental affairs and the finance committees in the opposite chamber for its first reading. Senate Bill 545 has not progressed since its hearing date on February 13th.</p> <p>8. House Bill 331, cross-filed Senate Bill 605, public schools, medical cannabis guidelines for administration to students, Connor's Courage. The Board initially submitted a letter of concern because there are currently no relevant standards of care or best practice for nursing</p>		

Subject	Responsible Party	Discussion	Action Due Date (Assigned to)	Results
		<p>administration of medical cannabis. The bill does not include the board and education of nurses regarding medical cannabis, only the Department of Education and the Maryland Cannabis Commission. House Bill 331 has not progressed since its hearing date on 2-19. Senate Bill 605 has not progressed since its hearing date on February 18th.</p> <p>9. House Bill 617, cross-filed Senate Bill 604, public and nonpublic schools, medical cannabis policy for administration during school hours and events. Initially, the Board had submitted the same letter of concern as it did, but there were amendments made in conjunction with the medical -- Maryland Medical Cannabis Commission, as well as the bill sponsors that the Board ended up supporting. House Bill 617 has passed</p>		

Subject	Responsible Party	Discussion	Action Due Date (Assigned to)	Results
		<p>both chambers, the health and government operations and the education, health, and environmental affairs committee. Senate Bill 604 has also passed both chambers.</p> <p>10. House Bill 782, cross-filed Senate Bill 611, health, mental and emotional disorders consent, mental health access initiative. The Board submitted a letter of opposition because the bill initially would allow a child of any age to consent to consultation, diagnosis, and treatment of a mental or emotional disorder. House Bill 782 has not progressed since its hearing date of February 26th, and Senate Bill 611 was referred to health and government operations in the opposite chamber for its first reading.</p> <p>11. House Bill 448 is the healthcare practitioners tele-health and shortage emergency bill that authorizes a healthcare</p>

Adjournment	Board	President Gary Hicks walked through the written statement that is required by the Open Meetings Act.	N/A	At 10:45 a.m. motion to close open session pursuant to the statutory authority and reasons cited in the written statement 2 <sup>nd</sup> : Steele

Subject	Responsible Party	Discussion	Action Due Date (Assigned to)	Results
				Motion passed unanimously.
Summary of April 22, 2020 Closed Session pursuant to the Open Meetings Act	N/A	<p>Closed session was held from 11:00 a.m. to 12:30 p.m. at 4140 Patterson Avenue, Baltimore MD 21215. The same Board members present for the open session were present for the closed session (unless recused from a particular matter). The authority for the closed session was Md. Code Ann., Gen. Prov. § 3-305(b)(13) in order to discuss confidential matters involving applicants for licensure/certification that are prohibited from public disclosure pursuant to Md. Code Ann., Health Occ. § 8-303(f), Health Occ. §§ 1-401 <i>et seq.</i>, and/or Gen. Prov. § 4-333. The topics actually discussed were confidential matters involving applicants for licensure/certification.</p> <p>[During the closed session, the Board also performed quasi-judicial and administrative functions involving disciplinary matters that are not subject to the Open Meetings Act.]</p>	N/A	<p>The Board voted to take the following actions regarding confidential matters involving applicants:</p> <ul style="list-style-type: none"> <li>• Accept a Consent Order Granting Certification/Order of Reprimand and Monetary Penalty regarding 1 CNA/MT applicant;</li> <li>• Issue a Default Order Denying RN licensure to 1 RN applicant;</li> <li>• License 2 RN applicants;</li> <li>• Certify 2 CNA applicants with a PAL;</li> <li>• Certify 3 CNA applicants;</li> <li>• Issue an Intent to Deny regarding 1 CNA applicant</li> </ul>
