**RE: Lillian Marie Webb LP26627
Voluntary Surrender of Licensed Practical Nurse License**

Dear Mr. Hicks,

I agree to voluntarily surrender my Licensed Practical Nurse (“LPN”) license, License Number **LP26627**, in the State of Maryland. By voluntarily surrendering my Maryland LPN license, I understand that I may not engage in the practice of licensed practical nursing, with or without compensation, as defined in the Maryland Nurse Practice Act (“the Act”), Md. Code Ann., Health Occupations Article (“Health Occ.”) §§ 8-101 *et seq.* (2021 Repl. Vol.) and the Board’s regulations, Code of Maryland Regulations (“COMAR”) 10.27.01 *et seq.* I understand that, as of the effective date of this Voluntary Surrender, I am in the same position as an unlicensed individual.

My practice was brought to the attention of the Maryland Board of Nursing (“the Board”) as follows:

On July 18, 2019, I entered into a Participation Agreement (“Agreement”) with the Safe Practice Program (“SPP”). On or about June 11, 2020, I was expelled from the SPP for non-compliance with my Agreement. I was non-compliant with the terms and conditions of my Agreement as follows: (1) Quarterly self-reports: I only submitted one self-report in April 2020 (2) First Source Solutions (FSS): Between October 8, 2019 and July 1, 2020, I failed to check in daily to FSS on multiple occasions; failed to submit to drug screens on five selected days; submitted several positive urine drug screens for controlled substances – I did not submit prescriptions and/or medical records to explain the positive drug screens (3) Support Group: The Board did not receive any verification of support group attendance.

On June 9, 2022, the Board issued a Notice of Agency Action – Under the Maryland Nurse Practice Act (“Charges”), charging my LPN license with violations under Health Occ. § 8-316 (a) (21) “Is expelled from the safe practice program established pursuant to §8-208 of this title for failure to comply with the conditions of the program”.

In lieu of proceeding to an evidentiary hearing on the Charges, I agree to surrender my LPN license. I agree the Board has enough evidence to prove by a preponderance of the evidence the above violations cited in the Charges issued on June 9, 2022, and may sanction my LPN license accordingly, pursuant to Health Occ. § 8-316 and COMAR 10.27.26. I understand that, by

LILLIAN MARIE WEBB: LP26627 – VOLUNTARY SURRENDER

executing this Voluntary Surrender, I am waiving the right, now and in the future, to any evidentiary hearing at which I would have the right to counsel, to confront witnesses, to give testimony, to call witnesses on my own behalf, and to contest the facts summarized in this Voluntary Surrender, and at which I would have the right to all other substantive and procedural protections provided by law, including the right to appeal.

I agree not to apply for reinstatement of my LPN license for a period of **TWO YEARS** following the date the Board accepts this Voluntary Surrender and that if I decide to apply for reinstatement as LPN in Maryland, I will approach the Board in the same posture as an unlicensed individual whose LPN license has been revoked. In considering my application for reinstatement of my LPN license, the Board may review my entire Board file, including any information the Board receives after the execution of this Voluntary Surrender. I also understand that in considering any future application for reinstatement of my LPN license, the Board may require me to undergo medical, psychological, and/or psychiatric evaluations, and drug and alcohol testing to determine my fitness to have my LPN license reinstated. It will be my burden, as an applicant for reinstatement, to demonstrate that I meet the Board's requirements for licensure.

I further understand that my license will remain in a status of "voluntary surrender" unless or until the Board grants reinstatement of my LPN license. I understand that the Board is not required to grant reinstatement and that if the Board reinstates my LPN license, the license will be reinstated through the Board's disciplinary process and that my LPN license will only be reinstated by the Board's issuance of a public order of reinstatement and that the Board may, in its discretion, place my reinstated LPN license on probation subject to terms and conditions.

I understand that this Voluntary Surrender shall become a **PUBLIC RECORD** and shall become effective on the date of the Board's acceptance of the Voluntary Surrender. I agree that this Voluntary Surrender may be released or published by the Board as a final decision and order under the Public Information Act, Md. Code Ann., Gen. Prov. §§ 4-101 *et. seq.* (2019 Repl. Vol.). I expressly consent to the publication of this Voluntary Surrender, including any and all information that may be protected from disclosure under federal and state law.

I acknowledge that I may not rescind this Voluntary Surrender in part or in its entirety for any reason whatsoever. I have been given an opportunity to consult with an attorney before signing this Voluntary Surrender of my LPN license in Maryland. I fully understand the nature of the violations against my Maryland LPN license and fully understand the terms of this Voluntary Surrender. I have voluntarily, knowingly and freely chosen to submit this Voluntary Surrender.

Sincerely,

See letter attached
